To Whom It May Concern,

We wholeheartedly recommend **ARYAN BRAMHANE** for the Frontend Developer position. ARyan demonstrated exceptional skills in frontend development during their time at **iKnowSpots**, with a deep understanding of blockchain technology and a proven track record of delivering secure and user-friendly applications.

Beyond their technical proficiency, ARYAN is an excellent communicator and a dedicated team player. Their passion for blockchain's potential impact on various industries makes them a valuable asset to any startup.

We have no doubt that ARYAN will be a great addition to your team. Please don't hesitate to contact us at **rahul@iknowspots.com** or **+91 742-802-7190** for further information.
